

Beach Land for Sale in Juan Hombrón, Antón, 1.5 Hectare

Descripción

Location: Juan Hombrón, Antón, a few minutes from the Pan-American Highway

Size: 1.hectare

100 x 100 linear m2

Featured Features:

- **Privileged location:** Located in front of a beautiful beach, this land offers you direct access to the sea, where you can enjoy spectacular sunrises and sunsets, making it an ideal place to rest or receive visitors.
- **Easy access to basic services:** Electricity is only 600 meters away, making it easy to connect to the grid, and access to drinking water is assured, providing the necessary conditions for any type of development.
- **Incomparable natural environment:** Surrounded by nature, this estate is the perfect place for those seeking a haven of peace away from the hustle and bustle of the city, while still being well connected to the necessary amenities.

Additional benefits:

- **Attractive Investment:** With a price of \$50 per square meter and a location in a growing area, this land represents an excellent investment opportunity with a high potential for revaluation.
- **Easy Access and Available Services:** The proximity to the Inter-American Highway and the availability of basic services make this land an ideal option for those looking to develop a project without complications.
