SOLYMAR is a family residential complex in the coastal community of Playa Corona. Three structures occupy the nearly rectangular 1,100m2 lot. The main house and two well-equipped cabins. There are 20 meters of sea front.

This is a unique opportunity to purchase one of the top twenty beachfront properties on the beautiful white sands of Playa Corona.

This beach community has a coastline of surprising natural beauty. It is bordered to the east by the Corona River, where it flows into the Pacific. Beyond, pristine beaches stretching for miles both east and west await exploration. The plenitude of nature around the corner. Swimming, sunbathing, walking on the beach and surfing. Beautiful sunrises and moonlit nights over the water.
