

Farm for sale in Calzada Larga, Caimitillo, 300 hectares

Descripción

Location: Calzada Larga, Caimitillo, across from the CEMEX facilities

Area: 3,000,000 m²

Property Features:

- Approximately 28 meters deep of pure limestone
- Ideal material for cement and related products
- Limestone suitable for industrial food use (cattle, chickens, pigs) due to its high calcium content
- Surrounded by access roads with paved and concrete streets
- Across from the CEMEX cement production plant

Accessibility and Connectivity:

- Direct access to main roads
- Strategic location with high development potential
- Nearby industrial areas
- Proximity to transportation routes and production centers

Price per m²: \$16

Sale Price: \$48,000,000

ID de Propiedad	FPANJ20.11.25.1
