

Land for Sale on Vía Brasil, 2,936 m²

Descripción

Location: Vía Brasil, Avenida República de Brasil, Panama City

Area: 2,935.72 m²

Property Features:

- 47.60 meters of direct street frontage
- ZM8 zoning, with potential for the development of retail businesses, offices, restaurants, cafés, supermarkets, shopping centers, and specialized services
- Ideal for developers and investors due to its location within a well-established urban area

Area Features:

- Steps away from PriceSmart Vía Brasil
- Easy access to Vía España, Calle 50, Obarrio, Vía Porras, and other central areas of Panama City
- High-activity commercial and residential area
- Close to supermarkets, restaurants, banks, pharmacies, offices, and retail establishments
- Access to public transportation and connections to Metro Line 1

Sale Price: \$4,403,000

Price per m²: \$1,500

Negotiable price

Expansion Option:

There is an option to purchase this property together with an adjacent 1,591.70 m² lot with ZM7 mixed-use zoning, creating a combined property of 4,527.42 m² with greater potential for commercial development.
